Highlights of Ireland

We're all a little bit Irish come March 17, but if you're in the market for something more meaningful than a pint of green beer, hop aboard this delightful nine-day adventure to the Emerald Isle. Cliffs of Moher, Ring of Kerry, traditional music in a local pub... seriously, it doesn't get much more quintessentially Irish than this. We mix the essential sites and time in the villages to really round out the experience. Even if Ireland isn't the Old Country for you, this trip will make you feel as though you're back home.
